Volume 37 No 02

Well, Valentine's day is almost upon us again, which means it's time to treat someone you love to a little treat. Oh, hang on – you clearly already have, haven't you? Let's face it, what could be better than treating yourself to the very latest Club International, packed as it is with some of the sweetest smoo on the planet? And as seems to be the case so often these days, we've got a couple of hot newbies to tickle your fancy, in the shape of Susana and Alison, two hardbodied blondes who were happy enough to sign up wholesale to the values we hold so dear. And those are? Getting nekkid, of course, getting horny, and getting my phone number slipped into their bags on the way out. Who knows if they'll call, although I certainly hope they do – ahem, just so we can discuss future appearances in the mag and other suitably businesslike things, of course... – **The Ed.** ♣

WAR PORN

May I start by congratulating you on another morale boosting edition of your gentleman's magazine. I am a royal marine, currently serving with 42CDO mortar troop in Afghanistan. At times the going can be tough as we have had more contacts than the yellow pages, not that I'm complaining – bootnecks love nothing more than to scrap and to bag off! Sadly, I am lacking in the latter at the moment.

The next big thing is to gaze at the fine specimens in the pages of *Club*. I don't know how you do it but every month you manage to get the best girls and biggest stars in adult entertainment – I applaud you.

"Bootnecks love nothing more than to scrap and to bag off!"

If you could put all the brown nosing that I am doing aside and pull some strings to try and get me any signed pictures of my favourite *Club* girls Stella and Sandy – if you could do this, I would be eternally grateful, even if it's signed by the office cleaner pretending to be the girls, what I don't know won't hurt me!

Also, any back issues of *Club* would be well received as I am sharing the joys of *Club* with the local Afghans. May I add that they like it very much! I will try to send a pic of one enjoying himself!

Hutch, Afghanistan

Hutch, we'd love to send you some mags and signed pics but we seem to have lost your address. How about you send us a pic of a local having a good flick through Club with your address and we'll send you a nice big bundle of quality boingo!

A HANDY LEG

Stuck in doors this winter with a broken leg, I've been having to 'make do' with blow jobs from my girlfriend as full sex is impossible – but I am so not complaining!

Basically, I tell her that I'm really missing having sex with her, get her all horny, make out that this time it won't be painful and we'll be able to fuck, and then as soon as she's straddling me and I've been up inside her for a few minutes I tell her it just hurts

NICE LITTLE RAVER!

Seeing Sarah in *Club* 37/01 took me back to my old raving days. I met a girl at an illegal rave wearing almost exactly the same get up, except this bird was wearing white cami hot pants with a white shirt and white boots. That was one hell of a night – she sucked my cock dry three times and that was just in the club! Can we see some more pictures of Sarah so I can have another memory lane wank? Nice one!

A nice, relaxing bath, what could be more enjoyable than that?

"Sharing it with somebody else," purred Susana. "I much prefer to get into the tub with a friend. All that warm water caressing your skin – makes a girl want to do things…"

Oh, really? What kind of things, Susana?

"Naughty things to herself, which aren't half as much fun when there's someone else there doing them for you. I love to lie back and relax as my boyfriend plays with my pussy under the water. Also, I think it's really sexy when he stands over me in the tub washing his cock, I just can't help myself from reaching up and washing it for him…" ♣

too much and she'll have to stop and get off. Then I give her my best wounded little puppy dog look and relax as she either sucks me off or gives me a hand shandy as she frigs herself off at the same time!

It's brilliant I tell you – I've not had this much fun not having sex since I was a virgin, fingering girls over the park and letting them wank me off! The choices she gives me when she's got my dick in her mouth are unbelievable: in her mouth, in her face, on her tits, even over her arse if she's feeling particularly randy! Before I broke my leg she was never very keen on getting a face or a mouthful of spunk, but now that that's all she's been getting from me for the past three weeks, she's grown to like it and will often tell me where she wants me to come!

Who would have thought that falling off a dirt bike would turn out to be the best experience of my entire life?

Will, Doncaster.

LET THE GAMES BEGIN

As heated pub debates go, none are as chilli hot as Blondes vs Brunettes, but if my experience is anything to go by, the winners are definitely blondes!

Let me explain: me and my mates were in town last Friday night, drinking with some babes we'd met that night. We were all a bit merry because it was my friend Alan's birthday so we'd been going for it a bit more than usual and these three birds were pretty well-oiled themselves for whatever reason (I don't think I cared). Anyway, as usual the conversation got round to the regular debate of Blondes vs Brunettes and all the lads had an opinion they couldn't wait to get out when one of the girls said, "Well I'm a brunette and Michelle here is a blonde, why don't we find out who's best?"

That stopped us all in our tracks and the talk suddenly dried up as all eyes turned on this girl. "What are you gonna do," I said, "take us into the toilet and suck me off one at a time?"

"Ooh honey, that sounds like a plan! Come on," she said, getting out of her seat and pulling me up out of mine. "Michelle, do you want to go first or shall I?"

Now normally I would have laughed it off and sat back down but the beers had given me enough courage to see it through and call her bluff. Together, we slipped off to the men's and found ourselves a cubicle. Once inside, she sat on the bog and started to undo my trousers.

"This is how a brunette sucks a cock," she said and began to roll my hardening dick around her cheeks, brushing her lips along its length. I was hard in no time at all and that prompted her to take my

LESBE AVIN YOU AGAIN!

I've just been flicking through your *Girl On Girl* special and had to write in to congratulate you on such a fine mag, seeing as it contains two of my all time favourite things: naked women and lesbians! I can't believe it's packed full of so much pussy! My only complaint is that you're going to make it a one off and I'll never again have a month like I'm having right now! So please make more!

IN MY FACE!

That Tiffany and Andie, shit are they a sexy couple of babes! I know you hear it a lot but they really do look like the birds I met on holiday last year, the only difference is that these two didn't start licking each other's pussies in front of me, though I did fuck them both (sadly on different nights)!

The girl who looked like Andie was the rudest, she practically stuck my dick up her arse before I'd even thought about fingering it!

That was a great night, first I fucked her and came in her cunt and then she sat back and let it trickle out onto her fingers before she licked it all off and told me to come on her face next – I have never got a hard on so quickly after shagging than I did that night, let me tell you!

READ ME NOW, LEWIS!

My boyfriend's a big fan of *Club* so I hope you print this.

He and I have a great sex life if only because there's nothing I won't do, but there's one thing he wants to try and once he's read this he will...

For the past couple of weeks I have been fucking a friend of ours, Kelly, in our bed without my boyfriend, Lewis, knowing anything about it. When he's been out at night with his mates, I've been eating 20-year-old pussy and getting fucked with a fat, black strap-on. It all started when Lewis said he'd always wanted to fuck two girls at the same time. Afterwards, I thought I'd ask Kelly if she'd be up for a threesome but not mention it to him in case she said no and I got his hopes up too much. Anyway, when I went round to Kelly's to see if she was interested in fucking us both, she said that she'd have to have a trial run with me on my own before she knew...

She came right up to me to say it and I couldn't resist sliding my hands round her waist and kissing her ruby red lips. Kelly's tongue snaked into my mouth and her hands slipped round my hips and back between my thighs, searching for my cunt from behind.

"Take your jeans off," she whispered and as I undid my button she slipped her jumper off

"She spread my thighs and began to lap at my pussy, teasing my juices from out of my slit"

Wiping a stray smear of jizz from her lips, she said, "How was that? I bet Michelle won't be able to bring you off as quick as that..."

I said nothing, I just let her out and waited for her mate to come along and suck my cock the blonde way. After five minutes of sitting there with my cock shrinking inside my pants, waiting, I was just about to give up and swagger back into the bar when a tiny knock came on the door of the cubicle.

"Are you ready for me now?" Michelle asked as I opened up. This time she pushed me down onto the bog lid and knelt between my thighs. I pulled my dick out and watched as Michelle tried to get me hard again. She made easy work of it, sucking my bollocks and letting my cock grow up her face. Once I was stiff, she took me all the way to the back of her throat, gagging on my cock before bobbing up and down on it hard and fast. She twisted her hand around my shaft, wanking me off like no one had ever done before, then she dived straight back on it – I could feel my helmet brushing up against the back of her mouth! The girl was so filthy she had me spunking up a second time in minutes flat!

Once I'd come, she carried on squeezing my shaft until she was sure I had nothing left inside me and swallowed it all. Blondes are definitely number one!

Phil, Warwickshire

and then pulled off her T-shirt to reveal her naked breasts. I kissed them both, they were small and sweet, her nipples stiffening between my lips. Kelly pulled down my panties and told me to sit up on the kitchen surface. Then she spread my thighs and began to lap at my pussy, teasing my juices from out of my slit. And as I sat there on the work-top, holding my friend's hair between my fingers, I had one of the most incredible orgasms I have ever had

BEETLE BONNET

Look what I saw on holiday this year! Funny, I saw this and immediately thought of your mag. Wonder why...

Tom, Brighton

IN THIS MONTH...

17,502 YEARS AGO:

15,506 B.C. Fire was discovered by an early hominid ancestor.

"I always knew there was something special about my Ugga-Wugga," said his mother, a 16-year-old granny from what is nowadays called Kenya. "I don't know what you'd call what he's invented as such but the whole family gets a rare heat off it when we sit round it in the evening."

"Yes," said her husband, "we certainly never had stuff like this when his mother and I were growing up, that's for sure. We do worry a little bit about the environmental impact, though..."

263 YEARS AGO:

1745. Terrified by the rumoured return of Bonnie Prince Charlie (who – interestingly – was not actually all that bonnie) and the fact that the Scots were revolting, the English Parliament sent all the Redcoats north to deal with the crisis, leaving numerous Butlin's holiday camps in the south completely unprotected.

Defeating the Scots in numerous skirmishes with their cheery banter, crap jokes and song and dance routines, the Redcoats soon quelled the rising and robbed the Scots of their appetite for both a) rebellion, and b) English holidays.

This is almost certainly what Robert Louis Stevenson wrote *Kidnapped* about and why he invented the Robert Louis Stevenson's Rocket, the first Japanese bullet train to run on rails.

27 YEARS AGO:

1979. Margaret Thatcher "enjoys" one last front-hole ride before her complex gender reassignment surgery. She will still be hobbling come polling day in May when she sweeps to power and ushers in The Golden Age Of Unemployment, but by September of the same year she'll be standing at the urinals with the rest of her cabinet, huge balls swinging, and starting to compare herself/himself favourably with Winston Churchill every time anyone switches the TV on.

FRUITY BUNS!

It wasn't the peach tree Eve was forbidden to eat from!

PHOTOS: JACK HARRISON

Okay so she's not actually a tree, but wouldn't you just love to take a bite out of Peaches' beautiful buns? Look at them, all smooth and soft – it's a wonder she doesn't have a nice sugar glaze over 'em, like a doughnut!

"A lot of guys, when they're licking me out, like to do it from behind," she says. "And always, ALWAYS, their tongues just happen to wander over my buttocks and then end up flicking round my ring! I don't know why, I must just have an irresistible bum! It's a good job I'm open minded and like having a man – or a woman – licking my bumhole, otherwise my sex life would be a right royal mess!"

Irresistible is the word for it all right – we've been licking our lips ever since we saw it! ♣

just through getting eaten out. She was so good, I didn't want to share her with Lewis straight away, so she's been coming over whenever the chance came along, bringing a collection of her favourite sex toys with her, but now I think it's time my man got involved as I miss having his dick inside me (it'll feel great with his cock in my pussy and Kelly's dildo in my arse...). As soon as *Club* comes out I'm going to buy it and leave it in the front room for him to read as I give Kelly a call on the mobile!

Melissa, Oxon

"I want to make you come like I just did..."

LET THE GAMES BEGIN

Boroka Bolls from *Club* 37/01 reminds me of a girl I fucked back in my college days – she had a ridiculous name too! Hetty, can you believe it? It was almost too stupid to be worth a fuck but if you saw her you wouldn't of cared what her name was either – even if it was Colin!

She was quite posh, which was a bit embarrassing around my mates, who were all skint twats like myself, and I used to feel really out of place around all her mates, but when we were alone in the bedroom together it made it all seem worth it.

Her favourite thing to do was do a little striptease for me, wiggling her sweet arse in my face, pushing her tits into me, rubbing her pussy on my thigh, that sort of thing, and then when she could see that I was at my wits end for the horn, she would stop dancing around and lie on the bed, stroking her cunt and asking me if I wanted to taste her sweet little

Scrapings From The Web!

FAR EAST FILTH

The China Daily newspaper recently reported that local markets in China's notorious Guangdong province have now stooped to flogging cheapo hair bands made from used johnny-bags. Shame, eh?

WHAT WILL IT TAKE TO SCARE PEOPLE TOO DUMB TO TAKE FRIGHT?

When a bloke wearing a werewolf mask and brandishing a pistol attempted to rob a sandwich shop in Pittsburgh a few weeks ago, he failed miserably. The two employees on duty refused to give up the money, telling him it wasn't his, nor theirs to give. The two dunderheads later told police that the robber had argued the toss until he was nearly hysterical, then in frustration removed his mask and roared in exasperation: "Damn it! I can't fucking believe you won't listen to a man with a mask and a gun." He then fled.

SCOTTISH VIOLENCE PROBLEM SOON TO BE UNDER CONTROL

Sixty-one-year-old 1960s pop sensation, Donovan, recently announced plans to open the "Invincible Donovan University" in his native Scotland to advance Transcendental Meditation teachings. TM teachings assert that a critical mass of practitioners can cause society to reduce its crime, violence and stress – and, says Donovan, who hails from Glasgow – the critical mass for improving a small country like Scotland would be a mere 250 meditators. So: nae problemo. Meantime, several Scotsmen have been arrested recently and charged with sex "crimes" involving inanimate objects. In Ayr, Robert Stewart was convicted of a sexually aggravated breach of the peace – and officially labeled a sex offender – after being caught in a hotel room with his knickers off, humping the back wheel of his bicycle. Worse, down in the Borders, an eighteen-year-old Galashiels youth was arrested and officially labeled a sex offender after he was seen to simulate sexual intercourse against the pavement in a Galashiels street.

For pity's sake, Donovan, hurry up and assemble the 250!

PERVERTS ON PARADE

Taiwan's minister of national defence, Lee Tien-yu, recently instituted a peculiar and slightly homo-erotic policy in the Taiwanese military. The edict required recruits and their squad leaders to hug each other, supposedly in order to "build mutual respect". Each must place his right hand on the other's back and left hand on the other's waist, with the squad leader saying, "Brother, I will take care of you," and the recruit replying, "Squad leader, I respect you." Lee was obliged to abandon the policy three weeks later on account of the fact that political leaders criticised it as being "really gay" and several officials had challenged Lee to hug some of his military officers in the same way. On each such occasion Lee declined.

GOOD S-ONIA, GIRL!

Thank you very much for introducing me to the beauty that is Sonia (*Club* 37/01). She is such a sweet, pretty looking girl with a lovely bum that I would simply love to spank while I was drilling my cock into her pussy from behind. That's the thing about the cute looking ones, they always get me so hard – that sweet innocent act drives me wild with desire. That's probably why I go for babes like Sonia. My girlfriend looks just as innocent and you could almost believe that's exactly what she is, unless, like me, you've seen her with a faceful of spunk and a fat dildo up her greasy jammer!

Francis, Cheadle

A NIP IN THE AIR

It is fucking brass monkeys out there and there's only one thing good about weather like this – rock hard nipples! You don't see many of them at this time of year, naturally, but when you do, bingo! It makes my day when I see a cute darling with little nips winking at me through her top. That bird, Jordanna, your Reader's Girlfriend from last month (37/01) looks just like one of the girls in my office, and every day this winter she's come into work wearing this flimsy jacket, taken it off and – bang – her nipples are up and spoiling for a fight! I've even come in with colds to see that morning ceremony. Makes my day!

Darren, Isleworth.

pussy. I always did – surprise, surprise – burying my face in her snatch and eating it like I was the hungriest man alive!

But that wasn't all, she was the only girl I have ever met that I could make come with my tongue alone – it would only take about ten minutes of licking her clam to bring her off and she was so grateful for it that she would ask me what I wanted to do with her. "Anything," she would say. "I want to make you come like I just did."

Anal, facials, hand jobs, soapy tit wanks, you name it, we did it, but I think my favourite time was the one where I asked her to suck me off standing in front of my bedroom window in the middle of the afternoon! I made sure all you could see from outside was my cock and Hetty as she chugged away on it, clamping my balls in her hot hand – what a goer that girl was!

Stella...where to stick it!

PHOTOS: 21ST SEXTURY

What do you think, lads? How would you like two of me? Imagine, me and me on either side of you with our four hands stroking you, feeling you, exploring you. Four breasts, exactly the same, pressing into your face, brushing against your chest. Two pussies for you to lick and kiss, finger and fuck. Two mouths to kiss you with!

Sometimes I wish I had an identical twin, the crazy things we could do to men! The nearest I've ever come to it was once when me and my friend Lisa were on holiday, she was shagging some guy in her room, it was pitch black, and then she came out, pretending she needed to go to the toilet, came and found me, told me to go in and fuck him some more and then swap over a bit later to see if he noticed. Incredibly, he didn't have a clue, so we tried it again the next night and yet again he never noticed.

Finally, we decided that I'd slip in and join her to see how long it took him to realise there was more than one of us. And do you know what, he didn't spot it, not even while we were taking turns to suck his cock. He only discovered something was different when I sat on his face as my mate rode his dick! He nearly cannoned us both off him he was so freaked – until we turned the light on and he could see us both, then he saw the funny side of it… and the extremely horny side! ♣

This Month: THE BATHROOM

Looking to clutter your life and empty your account with unnecessary but highly desirable tech baubles for all occasions? Then you've come to the right place...

You've got to feel sorry for the poor old bathroom – viewed by many as a functional room good for nothing more than the act of cleansing (physical, not spiritual), it lags some way behind every other room in the house when it comes to technology. Hell, you've probably even got a more advanced shed.

But it doesn't need to be this way! No, you crazy fool, with just a bit of imagination and a bit more, erm, cash, your bathroom can be transformed from grim harbourer of dank functionality into a haven of relaxation, blessed with all the fancy technology of other, smugger rooms in the house and, in some cases, even more...

So, if you fancy making more of your bathroom with the kind of unnecessary pampering normally only found in the former palaces of Saddam Hussein (albeit without the solid gold toilet), then just soak up this little lot...

Aquavision MK1V

Price: dependent on spec

www.aquavision.co.uk

Badly soiled after a hard day down t'pit? You're gonna need a damn good scrubbing! But what's this, Eastenders is on and missing your dose of Cockney misery is akin to going cold turkey off scag? Don't panic! Now you need never miss a single moment of high quality television. Just spunk a thick wad on an *Aquavision*! Waterproof hi-def screens for use in the shower or, indeed, anywhere else in the bathroom – now you can indulge your, frankly, disturbing TV addiction non-stop whilst you shower, bathe or – depending on whether you have a separate lav or not – sit like a King on his throne with something more entertaining than a mere newspaper to keep you amused during those early morning evacuations.

Aqualisa Wireless Remote

Price: £115

www.aqualisa.co.uk

Showers are great, but in my experience they can sometimes take so long to warm up that you end up with a cockle like an acorn in a bird's nest and, let's face it, if you've got some top totty left over from the previous evening, you don't want her seeing that, do you? Well, shrivel no further, thanks to the *Aqualisa! Palm-sized remote control*, this cunning bugger uses electro-magnetic technology to remotely switch on your shower – all without electricity – so that, by the time you've slipped out of your silk dressing gown, the water will be at just the right temperature and your lady-pleaser will be hanging proud when aforementioned floozy joins you. Worth twice the price, and you know.

Wav Vision Tele Tub

Price: £3800

www.wavvision.co.uk

What, another TV? And just look at the friggin' price! But wait, mi amigo – whilst the aforementioned Aquavision can only sit on your bathroom wall, this ickle beauty actually sits inside your very bath with you! A widescreen TFT television you can tune into digital channels and, because it can be fed from multiple sources, you can watch your DVDs on it as well and even – if you really can't be arsed moving– see who's at your front door via remote camera. Useful.

Controlled via the slick touch-sensitive backlit buttons on the top of the bath, has there ever been a better way to bathe? Oh, with a couple of Swedish underwear models, you say? Fair enough, you got me there.

Tivoli Audio PAL

Price: £120

www.tivoliaudio-uk.co.uk

Okay, so you don't require TV or DVD when you shower and you couldn't give two shits about your cold shower-induced winkie shrinkage problem? How about some good old fashioned, bog-standard entertainment in the shape of FM and AM radio, then? That's right, no bells and whistles, just good old fashioned wireless, like your dad used to listen to in the shed whilst reading his own collection of special interest magazines. Well, hook yourself up with this little honey and enjoy enhanced quality FM and AM, a refined tuning system that will never leave you stuck in mid-station buzz hell and, in case you want to shower, shave of just throw shitloads of water around your bathroom, it's tough, rubberised casing is water resistant. The downside? You clearly shower with the wrong kind of cunts – like Chris Moyles. ♣

What is it with you two? We leave you alone together for more than five minutes and this is what happens – you get yourselves all wet and wound up. Now what are we gonna do?

"Well, you could always let us strip and play with our pussies?" suggested Brianna. Hmm, not a bad idea but we've got a better one, how about you strip *each other* and then play with *each other's* pussies? And then after that you can eat each other out till you orgasm and we can take lots of lovely pictures of that and put them in our special *Club* photo scrap book...

"Yeah, great! Come on, strip me naked and eat my pussy!" they both yelled and then they both made a dive for the water pistol again and we had to take it away and tell them they couldn't have it back till they were playing together nicely and had made each other come. ♣

DYNAMIC PENSION

Land Rover might be of an age where it should be thinking about getting false teeth fitted, but if the shiny new *LRX* is anything to go by, there's plenty of mileage left in the marque yet...

LAND ROVER LRX

Engine: 3.2-litre 6cyl petrol/electric motor (est)
Power: 270bhp (est) • **Torque:** 290Nm (est)
0-60mph: 8.9 seconds (est) • **Top speed:** 125mph (est)
Contact: 0800 110110 or *www.landrover.co.uk*

Happy birthday Land Rover. It's 60 years since the British brand donned its green wellies and drove through a pile of cow shit in its original workhorse 4x4. And six decades later, it's had another baby...

The newcomer is based on the *Freelander*, but while it takes styling cues from the current range, they are brought right up to date. The clamshell bonnet, 'floating' roof and wheel-at-each-corner stance will all be familiar to anyone who owns one of the latest generation of Land Rovers, yet they have all been given a modern and dramatic twist. The roofline is more sweeping and has a sharper taper than on previous models, the bonnet is moulded into a head-turning Range Stormer-style front end, complete with a gorgeous perforated two-bar grille. Add the subtle side vents and the cleverly integrated wheelarches housing 20-inch alloys, and the *LRX* looks incredibly muscular. That muscle continues in the strong, rising shoulder line, while the glass wraps all the way around the car. There's even a glass roof. As a result, the structure of the upper body is left on show – a deliberate ploy to mimic some of the best contemporary architecture.

All four corners are carefully sculpted to minimise the overhangs; Land Rover has successfully managed to make this compact SUV look far bigger than it actually is.

And so to inside. Long gone is the shocking packaging of the original *Discovery*. Nowadays, they're making the best use of a cabin's space while still achieving breathtaking looks and a logical and simple layout.

Starting at the back, the electrically operated split tailgate opens to reveal a generously proportioned load area. There is a coolbox and a bottle chiller, plus a pair of aluminium cup-holders, which can be clipped between the two padded boot-mounted seats for those rugby match picnics in Twickers car park. You can even take the iPod-compatible speakers out for an impromptu rave.

Further forward, each of the four seats sits on an individual plinth and has an open framework, allowing you to slide stuff underneath the chairs and floor. At the touch of a button, the rear seatbacks drop down to give a spacious flat load area. And the airy feel in the back is enhanced by the clear roof and large expanses of glass; even though this car is only a three-door, it feels really roomy inside.

Up front, there's high-quality polished aluminium detailing to provide a really special feel. But it's the design that is most striking. The centre console slopes beautifully up towards the hi-tech dashboard, in the centre of which is an intuitive touchscreen display which controls all the cabin's major functions. There's also a dock for an Apple iPhone. And standard instrument dials have made way for a stunning personalisable 3D graphic display. What's more, the background lighting inside changes to reflect the different modes of the drivetrain: green for economy, red in the sport setting and blue in standard mode.

To counter the 4x4 backlash, Land Rover is trying to promote itself as an eco-minded SUV manufacturer, and so, amazingly, large swathes of this beautiful interior can be recycled. The leather is vegetable-tanned and chromium free, the metal trimming employed is also readily reusable and the carpets are crafted from sustainable sources. What's more, the suede-effect trim on the insides of the doors and the headlining is made from recycled plastic bottles. The green themes continue under the skin. It's no secret that Land Rover is developing a hybrid drivetrain for the *Freelander*, and the *LRX* will use the same set-up. An electric motor cuts in at low, town centre speeds to slash average emissions, and it's likely to be mated to one of the existing range of petrol or diesel engines. Stop-start technology is also set to feature as standard on the showroom version.

On the open road, performance figures remain a matter of speculation – after all, the *LRX* is very much a concept for now. But whatever they do, none of it can be allowed to come at the expense of off-road ability. The Terrain Response and Hill Descent Control systems will work in tandem with the proven four-wheel-drive transmission to ensure that, when the mood takes it, the *LRX* can tackle tricky surfaces without breaking into a sweat.

The Land Rover is looking incredibly sexy at 60. ♣

A GRIT OF ALL RIGHT!

Oh, but to be a grain of sand on this beach!

PHOTOS: PHOTORAMA

You might think, ignorant as you are about these matters, that a grain of sand has a very dull existence – no glamour, no glitz, no excitement (unless you call repeatedly being hurled against your fellow grains at 90 miles an hour plus by a humungous wall of water a bit of a laugh). But look around you, marvel at the wonder of life, marvel at the wonder of Nicola, marvel at the wonder of the grains of sand stuck to her. Now do you think sand has a dull existence? We think not! The truth is that sand, or at least the few hundred grains of sand we're specifically focusing on, don't have it so bad! What lucky bastards, stuck to the coochie of a top babe like Nicola, clinging there for dear life. Why that's got to beat getting patted into a castle shape now and then! ♣

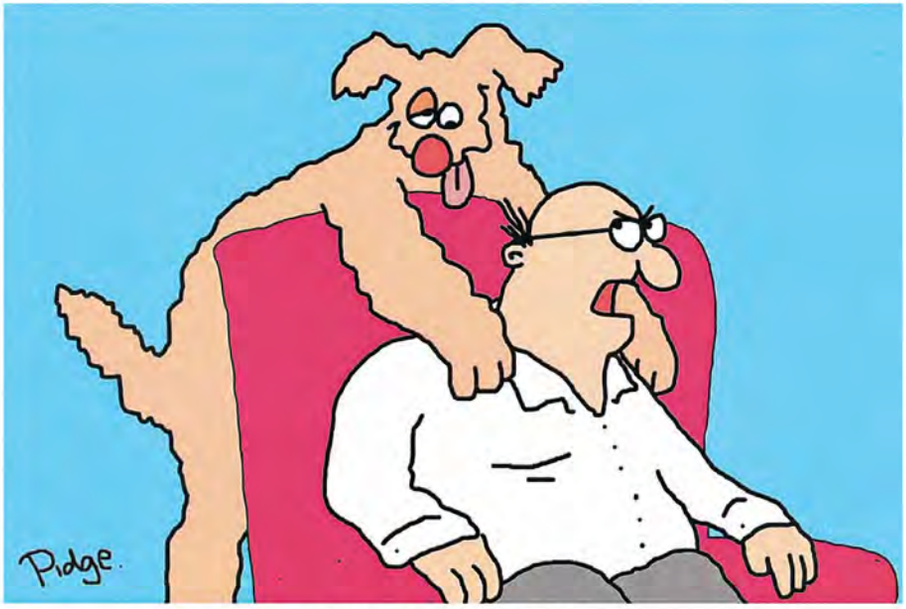
THE JOKE'S ON YOU!

Comedians will tell you there are only really three jokes in the world, which must mean most of the gags we print aren't really jokes at all. Could you tell?

Send us your favourite filthy jokes and we could reward you with a crisp £50 note so that you can go down the pub and have a drink with your mates while you tell it! Send your joke to the usual address or mail them to *clubint@paulraymond.com*



" Yes yes - I know I'm your best friend - just tell me where you got the booze from! "

LOUD AND CLEAR
My wife went to see the psychiatrist. "I've got a big problem," she said. "Every time we're in bed and my husband comes, he screams his head off."
"Well," the doc said, "that sounds pretty normal to me, I can't quite see what the problem is."
"The problem is," she says, "it wakes me up!"
Gavin, Aston

GET IN!
Q: Three tampons, a super, a large and a regular, are walking towards each other down the street. Which one says hello first?
A: None! They are all stuck up bitches.
Neil, Reading

HAIL AND RIDE
Two blondes at a bus stop:
BLONDE 1: "Which bus are you waiting for?"
BLONDE 2: "The nine. You?"
The first one: "The Six."
Five minutes pass and then the Ninety six arrives.
BLONDE 1: "Oh good, now we can ride together!"
Simon, Bradford

ROCK AND A HARD PLACE
Worried about his wife's health, our man takes her to see the doctor.
"Well, it's either Alzheimer's or AIDS," says the doc.
"What do you mean?" says the husband, "don't you know the difference?"
"Well, in the early stages they both look quite similar under the microscope. I tell you what, take a nice long drive out into the countryside, somewhere you've never been before, boot her out of the car and go home. If she finds her way back, don't fuck her."
Jack, Stevenage

DOLE IT OUT
Two men talking: "So, how's your sex life?"
"Oh, nothing special. I'm having dole sex."
"Dole sex?"
"Yeah, you know; I get a little each month, but not enough to live on..."
Matty, Aberdeen

SHORT AND SWEET
Q: Why do women take longer than men to reach orgasm?
A: Who cares?

Q: How do you know when it's time to wash dishes and clean the house?
A: Look inside your trousers. If you have a cock, it's not time.

Q: What's the difference between a whore and a bitch?
A: A whore screws everyone, a bitch screws everyone except you.
Brett, Lancs

ONE FOOT IN THE SAUCE
A completely inebriated man is staggering down the street with one foot on the pavement and the other in the gutter when a policeman pulls over and says, "I've got to take you down to the station, sir, you are clearly drunk and disorderly."
"Are you sure I'm drunk, offischer?" asks the unfortunate citizen.
"Positive," said the policeman, "I can smell it from here."
"Thank god for that," he stammered. "I thought I had been crippled..."

PRIZE JOKE!

MIDGET GEM
A man is in a train station and goes into the bogs. When he walks in he sees this leprechaun with the biggest dick he's ever seen. It's so big he can't help but stare at it while he's pissing next to him. The leprechaun finishes and is a bout to leave when the man asks him if he is a real leprechaun.
"Aye me boy, I'm a leprechaun, and I can grant you three wishes."
"Brilliant! What do I need to do?"
"Well, havin' such a large cock makes it a bit awkward for me with the ladies, the thing not fittin' inside there and all... Tell you what, I'll grant you your three wishes if you wouldn't mind suckin' me dick until I come there."
Three wishes in exchange for a mouthful of leprechaun spunk, it's a fair deal, thinks the man, dropping to his knees. After the little green fella has emptied his sack, he starts to walk away.
"Hey," says spunky chops, "what about my three wishes?"
"How old are you there, me lad?" says the leprechaun.
"25."
"Aren't you a little too old to be believing in leprechauns?"
Rory, Braintree

EASY TIGER!

Watch out for this one, she's a man-eater!

Did you know, in Chinese astrology it's the year of the blonde? Oh alright, that was a load of bollocks (it was really last year) but check out Alison – bet you wouldn't say no to a year of this blonde!

"This is going to be a special year for me," she said. First appearance in Club, eh? "Well, yes, but also I am going to fuck my neighbour this year. He moved in last year to start university and I promised myself I wouldn't touch him until he'd got through his first term. But after that he should be experienced enough to keep me satisfied when we finally get it on." Blimey! Students today don't know they're born, do they? And if you've just moved in next door to Alison, it looks like this could be your year too! ♣

PERSONAL DETAILS

NAME: Kirsty **AGE:** 23

VITAL STATISTICS: Big and bouncy!

WHAT'S SHE LIKE? Always up for it, wherever the fancy takes me!

WHY DID YOU WANT TO APPEAR IN CLUB?
This is part of a dare – my boyfriend dared me to do this, I dared him to lick me out under the table in our local curry house!

TELL US A FANTASY.
My boyfriend is eating me out in a restaurant and the whole place is looking at me because when I come I scream the place down.

WHAT'S YOUR MOST EXCITING SEXUAL EXPERIENCE?
One time, me and my boyfriend had a shag on the top deck of the Dover to Calais ferry – once I had come I wanked him off over the side!

SO YOU BASICALLY LIKE THE THRILL OF GETTING CAUGHT IN THE ACT?
Yeah. I would love to be caught by a couple of strangers who get so turned-on by what they catch us up to that they want to get involved. I'm going to leave copies of this mag in various places around my home town as well because the thought of people who know me seeing me in *Club* and wanking about me gets me wet whenever I think about it.

BUT WHAT ABOUT OUR READERS WHO DON'T KNOW YOU?
Well, they can see all of me right here, can't they? If they'd like to get to know me more they should come up to Loughborough sometime and look for me. Maybe they'll find me in the park having sex in the bushes, or maybe me and my boyfriend will be shagging in a car park, or they might see me in a restaurant coming on my boyfriend's face – either way, if they find me fucking, they're more than welcome to come and join in, I've got quite an appetite for cock and I do like the taste of pussy as well, so don't be shy, bring your girlfriends along with you! ♣

MORRISSEY
Greatest Hits (Polydor)

What a bunch of thieving fuckers Mozza and Polydor are – charging a tenner for a greatest hits album when you can pick up *Suedehead – The Best Of* for a fiver in your standard HMV sale. Granted, you don't get the new single or those from Mozza's last two albums but so what – you've got an extra fiver in your back burner to spend on lager and porn. The cheeky cunts.

THE MARS VOLTA
Bedlam In Goliath (Island)

The Mars Volta certainly know how to rock and *Bedlam In Goliath* is packed full of loud guitars, screeching vocals, and banging drums. Imagine a threesome with Paula Yates in her pomp and Courtney Love when she's on one – crazy, dark, a little unnerving but still bloody marvellous. Don't buy a copy for Grandma, but if the missus likes having her hair pulled and being spanked a bit then she'll be well into this.

HOT CHIP
Made In The Dark (DFA)

Hot Chip perfect the art of gay little pop songs and as a result, recreational users throughout East London adore them. The band's second album holds a little something for everyone – *In The Privacy Of Our Love* is bang on for ketamine fiends, *Ready For The Floor* would please MDMA supporters and *Bendable Poseable* will put a smile on the face of any crack head. Whether or not the boys will get nominated for the Mercury Prize like last time remains to be seen but one thing is certain – *Made In The Dark* is well worth getting wankered to.

JOCHEM PAAP & SCOTT PAGANO
Umfeld (Umfeld TV)

A piece of technical genius – Dutch fella Jochem Paap, aka Speedy J, knocks up some bangin' techno designed purely for Dolby 5.1 surround sound whilst his yank mate Scott Pagano throws on some visuals. Definitely not to be used alongside magic mushrooms – it'll fuck you right up. The best thing is you can download it free from www.umfeld.tv and burn it straight to DVD. Result.

AIDAN JOHN MOFFAT
I Can Hear Your Heart (Chemikal Underground)

An album with a difference from one half of Arab Strap. It's not really music – more poetry and ramblings about sex, pussy, and getting wasted. You start by reading a short story in the inlay booklet and then you listen to 30 minutes worth of his spoken words, which really are very funny and well worth checking out. With titles like *Cunts* and *Fuck It* – you can't go far wrong…

Wombats and shaven twats...

Club chats to The Wombats drummer Dan Haggis about wanking and shagging…

What's your biggest fuck up?
When I was at school, I put my finger in a sanding machine and now it's completely fucked – it's at a 45° angle to my other finger. It got dragged into the sander and basically sanded my finger off and fucked a few tendons up, and it took two hours of surgery to sort it out. The teacher ended up having a nervous breakdown! It's weird because that happened on July 9th 1996 and on July 9th the year after I was climbing a tree and some guy threw a freezey pop into the air and it split my head open and I needed more time off. So the next year my Mum kept me off school!

Tell us a story that involves fingering girls.
When we were in LA, I watched our bassist rag this nympho all over the room and he certainly had his fingers up her. I wanted to sleep and I thought I'd given them enough time but they never stopped. It was horrible – it was like having a porno on all night. So I cracked one off whilst they shagged in the shower. I didn't know whether it was wrong, but you could hear them at it and the old man's getting hard and before you know where you are…

Have you ever been caught shagging?
Actually, my mum once walked in whilst I was having sexual relations with my first girlfriend. That was possibly the most embarrassing thing ever because I was only 16 and afterwards I got the whole chat downstairs. "We don't want any babies – are you using condoms?" and all that. I was trying to deny it and she was like, "Dan – I walked in and your arse was going up and down!" Imagine having that chat with your mum at 16!

And what about wanking?
My sister once caught me wanking! It was after school and I'd just found the delights of the internet. She walked in and it was pretty obvious. She went, "Dan, what are you doin'?" There's absolutely no point being shy about it – everyone's got to crack one off from time to time.

Where's the funniest place you've had sex?
I once got laid in the disabled toilet of a Virgin Train coming back from Bournemouth – courtesy of Richard Branson. When we came out there was this massive queue and we got some pretty funny looks.

What kinky things do you like?
When we were in Hamburg, I bought some handcuffs and a gimp mask but that was just for the hell of it – we haven't actually used them yet. I think Tord's going to use the handcuffs soon but the gimp mask is really uncomfortable. I just really like going down on girls and chomping away.

Where do you normally wank?
Well put it this way, we stop off at a lot of service stations and we always walk out with a smile on our face. You get used to knocking one off whilst some bloke is having a shit in the next toilet.

Did you ever finger girls while at school?
Well I went to an all boy's school so, no! My sister went to an all girl's school so we used to have parties at home where we'd swap mates, though.

And last but not least – did you ever write a letter to Jim'll Fix It?
No, but I did write a letter to Gladiators when I was younger asking them to start a kids version because I wanted to be in it so much. And a while later they did actually start doing a children's one. I don't know if that was because of my letter or whether there were millions of kids writing in.

Cheers Dan, you're a legend mate.

ON THE GAME

ASSASSIN'S CREED (Ubisoft)

Xbox 360, PS3, PC

★★★★

All that ra, ra, ra about next gen consoles being the shit and having incredible graphics that look just like real life was a bit bollocks, we thought, and then *Assassin's Creed* landed on our door mat and our gobshite random opinion generator burst its hydraulic blood vessel and fell off the roof. We'd like to mention the ethereal beauty of PS2 legend, *Ico*, here, not because *Assassin's Creed* plays anything like it but because its graphics take your breath away in much the same way as *Ico's* did all those years ago. Plot-wise, you are an assassin and you are employed by various types to go and kill people, easy enough to follow, right? There's some excellent things to get excited about with *Assassin's Creed*: a whole new combat/control system, the sheer pleasure of running around the roof tops without being spotted by those below and the fantastic fact that once the game's loaded, the entire city is waiting for you to move around in real time. Heavenly!

EVERQUEST II (Sony Online)

PC

★★★

It's hard to get excited about expansion packs for MMORPGs if you're not one of the many billions of nerds around the world who spend all of their lives tucked up neatly inside their PCs. But for those of you taking a break from *World Of Warcraft* for a quick flick through some top quality grot (that means *Club*, you dolts!) look here! Yes, you may have been thoroughly disappointed with *Everquest II* when it was first released but check it out now, it's a far, far better game than the mess they made of it back in the early noughties. Happily, they've brought back some of your favourite zones like the Greater Faydark Forest and Crushbone and added a couple of new races, most notably the Sarnaks, a dragon like bunch of humanoids, though sadly they don't spit fire and fly. With four expansion packs tucked in here, you'll be kept busy till next Christmas!

WINTER SPORTS 2008 (Activision)

Nintendo Wii

★★★★

Remember *Daley Thompson's Decathlon* on the ZX Spectrum? That was once the greatest game ever, right? Well imagine if that had been updated a bit and put on the Nintendo Wii? Oh, and imagine it's called *Daley Thompson's Winter Sports Without The Decathlon Or The Daley Thompson* instead. Hey, you're now imagining *Winter Sports 2008*! Isn't it brilliant that they advertise the Wii as the games console to get your granny/wife/sister into games when what it really is is the ultimate after-the-pub, pissed-as-a-fart, party console! There's nine different games to play and none of them is as drunkenly hilarious as the ski jump. We've had hours of fun choking back the tears at the sight of our staff throwing shapes as they take off and land – what the hell is it about beer and the Nintendo Wii that makes people behave like your uncle dances at weddings?

MAMMARIES, HOW I LOVE YER!

Tits – like most guys I just love them, and the bigger the better. My girl Jen's were great – pert 34Cs with gorgeous pink nipples. Not the biggest, but oh-so-suckable. I never complained about the size, but I certainly 'admired' the larger tits of other girls when they came on telly or when reading your esteemed publication. It is just the idea of being enveloped in an ocean of lovely, wobbly, boob flesh! But hey, tits are all great, and Jen's were fine with me.

One winter, Jen went off to Prague with the girls for a week on the piss – one of her mates was getting married so they were having an extended hen do. I didn't mind – plenty of time to watch the football and have the occasional crafty tug with my DVD collection.

Jen was due back on the Saturday so I started making a nice meal so we could have a romantic evening in alone when she got back. All this time to myself had got me horny as fuck!

I heard the door go and turned to see Jen standing in the hall. She certainly didn't look as if she'd been travelling. In fact, she looked more like she was about to go out clubbing, with full make-up and tottering heels, plus a fur coat, which she was holding firmly around herself.

"I've got a present for you babe," she purred, and flung open her coat. I could not believe my eyes. There in place of her perfectly lovely (if a bit small) titties, were two mammoth globes, straining her sparkly dress. They must have been at least double E.

"She manoeuvred my cock into the gorge between her boobs"

"Plastic surgeons are much cheaper in Eastern Europe, you know?" she grinned. "Don't you want to have a test drive?"

Too fucking right I did. My horn went into overdrive and I leapt over the sofa and grabbed her, pushing my tongue down her throat. I gently ran my hands over her new acquisitions. Jesus! They were round and full – just perfect.

I tugged her dress straps down and unleashed them, getting to my knees and filling my face with the breast flesh, lapping at her hardening nips. By this time, my meat was bursting from my jeans, as she reached down and fondled my cock and balls. I moved her on to her back on the sofa and, pausing only for her to strip off my trousers and boxers, straddled her – my hard cock resting on her fulsome orbs. With every breath she took her tits rose, stroking the end of my sensitive chap.

Knowing exactly what was coming next, she manoeuvred my cock into the gorge between her boobs and pressed them together, encasing me. I moved slowly backwards and forwards, the end of my knob poking out of her cleavage, while she bent her neck down and licked the end on every upstroke. The feeling was incredible. The weight of the tits pressing against my manhood plus the feeling of the soft silky skin was heaven, and coupled with the sight of her cute faced famed by these monster knockers, it was almost too much.

I reached behind me, lifted her skirt and found she had no panties on – she knew exactly what she was in store for tonight! I ran my fingers over her smoothly shaved mound and into her sopping cunt – she was as hot as I was and I shifted myself onto my back on the sofa, getting her to climb on top. I wanted to see those titties bounce right in my face. She slid my cock

straight into her wet hole and started to pump me, moaning softly in time. Her globes bounced beautifully up and down while I watched, semi-hypnotised. She was reaching down and firmly rubbing her clit while I thrust up into her, and her moans were increasing in intensity. I knew that I was close to the point of no return myself and I knew what I had to do, swivelling her round so she was on her back.

> ***"I reached behind me, lifted her skirt, and found she had no panties on"***

Straddling her chest once more, I wanked my cock to orgasm, and streams of come flew all over her gorgeous new tits. She reached down and started to rub the liquid into them as if it were some kind of steaming body lotion, the flesh moving round in big circles as she pressed the jism into her skin. They were without doubt the best surprises I have ever had!

XXXMAS BASH

Ever since I started at my job back in the summer I've been eyeing up one of the young receptionists, but the opportunity never really arose for me to take things any further – until that wonderful institution the office Christmas party rolled round, that is!

Tina is fairly short, but has the sort of bum you'd want to put on a pedestal in the corner of your living room, just so you could glance at it from time to time. Sadly, at work she's always been ultra professional – polite and friendly, but with just a hint of flirtiness that gave me some hope of success if I got to try it on. As it turned out, though, she's one of those girls who needs only a little bit of alcohol inside her to fully break down her inhibitions, because the Xmas bash was less than an hour old before she came over to me, and it was pretty clear from the off that she was interested in more than a chat about what we were all up to over the holiday!

The party was being held in a small room off a nightclub in town, and of course it was no smoking down there. Now I only smoke occasionally, but I new Tina liked a fag so I suggested we popped outside "For a quick one". Tina pretended to look shocked, until she saw I was holding my cigarettes just under her nose, and she laughed and agreed.

Outside, there was quite a crowd of smokers, so I suggested finding somewhere a bit less busy, and when we found a quiet alleyway we both slipped inside. It was cold, and she snuggled up to me as we smoked. Before long we'd finished, but instead of heading back into the club, Tina said she would rather I took her home – and I was only too happy to oblige. We hailed a cab, and before I knew it I was sitting beside her on her sofa, drink in hand, with a massive boner in my trousers, which I was praying I wouldn't have to take care of myself!

Thankfully, I noticed Tina leaning forward a little – my cue to lean in and slip my tongue into her welcoming mouth! I don't know how long she'd been without a man, but all of a sudden it was like the floodgates opening, and she was all over me, ripping at my clothes and trying to get on top of me! For my part I was trying to take things easy – given the circumstances there was no guaranteed I'd get a repeat performance, so I wanted to make the most of the night, but Tina was so frantic I soon gave that up and went with the flow. Pulling her top off, I started licking and nibbling at her pert tits as she ground herself onto my lap like she was trying to screw me through our clothes!

"I pressed my tongue hard against her love bud as she ground herself into me"

In the end I could stand it no longer. "Let's go upstairs," I said, and we scampered up, shedding clothes on the way until I was treated to the site of this gorgeous little body sprawled on the bed, waiting for me to join her. Her

pussy was fairly hairy, but looked so inviting I couldn't resist diving between her thighs and burying my tongue in her soaking snatch. Tina writhed and groaned as I worked my magic, licking and teasing her clit whilst occasionally working a finger or two deeper into her receptive cunt. I could tell she was close to coming, and I pressed my tongue hard against her love bud as she ground herself into me, suddenly juddering and flooding my mouth with her sweet nectar.

After that I had only one thing in mind – sinking my meat into her slippery hole – preferably from behind so I could appreciate that arse. Flipping her over, I briefly leant forward to give her sweet pussy one last lick before I lined up my throbbing cock with its entrance. She was so wet I slipped inside easily, making her groan again as I filled her completely. Trying to keep in control, I started off at a very deliberate pace, pushing my entire length inside her and then pulling out almost to the tip before easing back in again. The sight was amazing – this truly fantastic arse spread in front of me and my cock sliding in and out of one of the wettest cunts it's ever been my privilege to fuck. I couldn't take my eyes off it – deliberately storing up the memory for future reference.

It wasn't long before Tina started to get a little impatient, pushing her arse back against me, urging me to fuck her harder. I duly obliged, slamming into her until the tingling in my balls warned me I was on the brink. Pulling out, I aimed my cock down at her peachy arse and, after a couple of quick strokes, sent an absolute torrent of hot jizz cascading over her beautiful bum and back – another sight I'll remember for a very long time!

Tina looked over her shoulder and gave me a dirty grin, and I suddenly realised I'd be in for a long night! Still, I can't complain, and Tina was obviously happy enough, because we've been seeing quite a bit of each other ever since!

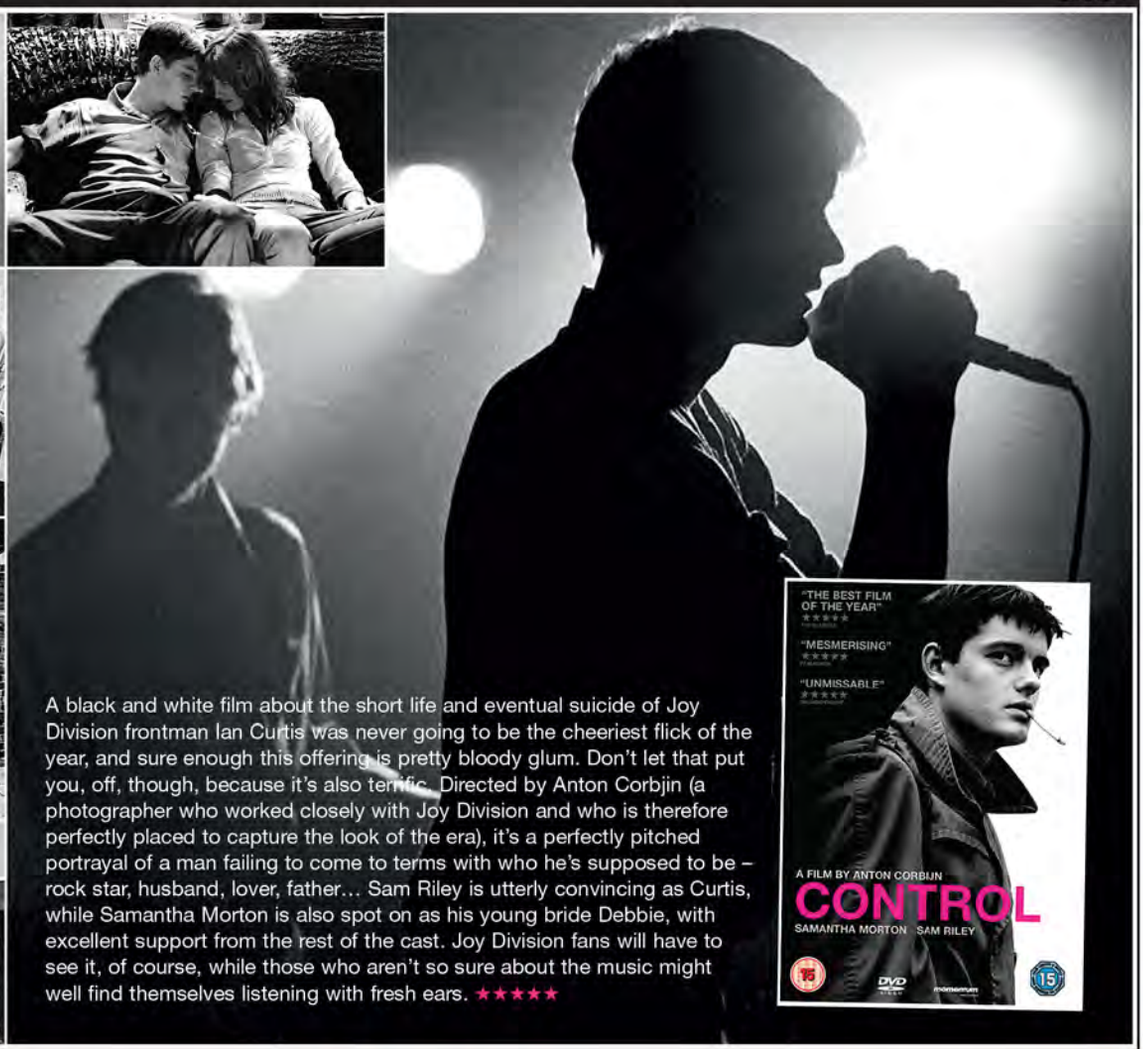
RATINGS: ★ THEY GET PAID FOR THIS? ★★ NOT EVEN FOR GIRLS ★★★ WATCHABLE ★★★★ BUY ME! ★★★★★ FUCK ME!

Control (Momentum) DVD



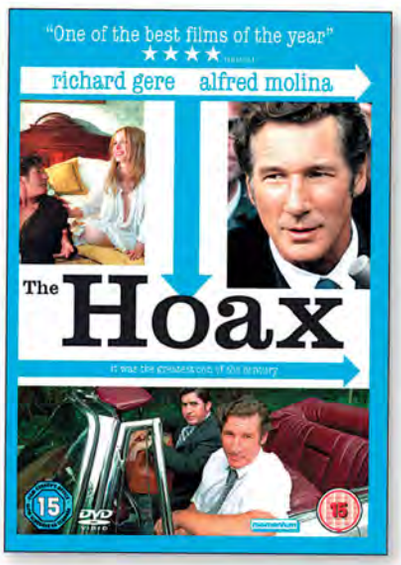
A black and white film about the short life and eventual suicide of Joy Division frontman Ian Curtis was never going to be the cheeriest flick of the year, and sure enough this offering is pretty bloody glum. Don't let that put you, off, though, because it's also terrific. Directed by Anton Corbjin (a photographer who worked closely with Joy Division and who is therefore perfectly placed to capture the look of the era), it's a perfectly pitched portrayal of a man failing to come to terms with who he's supposed to be – rock star, husband, lover, father... Sam Riley is utterly convincing as Curtis, while Samantha Morton is also spot on as his young bride Debbie, with excellent support from the rest of the cast. Joy Division fans will have to see it, of course, while those who aren't so sure about the music might well find themselves listening with fresh ears. ★★★★★

My Name Is Earl Season 2 (Fox) DVD

The karma comedian is back, trying to fix stuff he's done wrong in another season of trailer trash fun. Jason Lee stars as the eponymous hero and lottery winner, although to be honest the support cast generally get just as much work to do as Earl continues to works his way through the list of things he needs to put right. Guest appearances by the likes of Roseanne Barr and John Waters add to the fun, so while the novelty may have worn off a bit from season one, it's still watchable, and there are plenty of extras tucked away on the 4 discs to keep fans happy. Just don't mention the Scientological subtext, alright? ★★★

The Hoax (Momentum) DVD

We don't tend to review too many Richard Gere flicks here, but we'll make an exception for this one, seeing as it also stars top Brit thesp Alfred Molina... and cinema legend Eli Wallach! Based on the true story of a 70s journo who convinced the world that he'd got hold of the memoirs of reclusive Hollywood billionaire Howard Hughes, this is an enjoyable exploration of the weaving of wicked webs – and how they have a nasty habit of unravelling before your very eyes. A top cast and a sure fire winner of a story keep things rolling long very nicely, and the whole thing's topped off with plenty of nice extras as well. ★★★★



Superbad (Sony) DVD

Produced by man of the moment Judd Atapow (we reviewed his *Knocked Up* only last month!) this film is based round a rather unpromising set-up – a couple of kids trying to get hold of some booze so they can mak it to a party and attempt to get it together with some girls they like. So far so *Porky's*, but thankfully it's nowhere near as bad as it sounds. Apart from anything else, the presence of Michael Cera (from TV's *Arrested Development*) ensures a touch of comedy talent, while the writing is pretty sharp. Alright, so it's derivative of a whole slew of teen comedies, but that shouldn't stop you enjoying it. ★★★★

The Last Legion (Momentum) DVD COMP

Hmm, an Arthurian film that Arthur doesn't really come into... Instead, this is more the story of Excalibur, and how it came to be stuck in that rock. Starting off in Rome with the barbarians at the gates, it follows Colin Firth's soldierly Aurelius as he protects the 12 year old Emperor until they end up in Britain. Ben Kingsly's also there to help, while Aishwarya Rai's Indian warrioress is stunning! To win one of three copies, just tell us the name of King Arthur's father and send your answers to: An-uther Great Club Competition, PRP, 2 Archer Street, London, W1D 7AW to reach us no later than February 28th. ★★★

Eagle Vs Shark (Optimum) DVD

Fans of *Flight of the Conchords* will be well aware of Jermaine Clement's off the wall comic appeal, but the New Zealander's clearly been a busy boy, because aside from his hit with the radio and TV comedy he's put in a starring roll in this antipodean take on the geeky rom-com. It's got a strong indy feel, so if you liked *Napoleon Dynamite* you'll probably find something here to tickle your fancy, with Clement eventually realising that the weird colleague of the girl he fancies might actually be the girl he's supposed to be with. Let's face it, in indie film world even utter social incompetents find love in the end, don't they? ★★★

3:10 To Yuma (Lionsgate Home Entertainment) DVD

Hey hey, what's this – another remake? Yep, desperate Hollywood execs continue to plunder the back catalogue for inspiration, but luckily enough this is a movie which more than stands up to its 1957 predecessor. Like so many other good flicks, it's based on an Elmore Leonard story, and has a cracking cast on top form to keep the ball rolling. Russell Crowe's charismatic and watchable as the outlaw Ben Wade, while Christian Bale is (as always) spot on. The story's far to convoluted to sum up here, but with films like this the plot's more or less incidental. Watch it for the acting and the love of a good western. ★★★★

Each issue, purely in the interests of investigative journalism, Club's dedicated team will be tracking down and taste testing some premium booze just so we can give you the lowdown. This month, a far from pale ale...

Black Sheep Riggwelter

What...

The Black Sheep Brewery of Masham, Yorkshire has a proud history dating all the way back to, oh, 1992. It seems some sort of family feud at nearby Theakeston's led the black sheep (geddit?) of the family to up sticks and leave the family firm and set up his own brewery, which now produces six varieties of bottled beer. Riggwelter is the strongest in the stable, coming in at a not inconsiderable (for ale) 5.7%, and claims to take its name from the Norse for a black sheep that's fallen over. A likely story. As you'd expect from a stronger beer, it's dark coloured and strong flavoured, with a complex blend of malted and hoppy flavours. In a word, tasty.

Why...

Well, despite the fact that lager sales are dropping off these days, speciality ales seem to be going from strength to strength. Alright, so you probably won't be picking up any supermarket bargain packs, but then this is all about quality, not quality.

Where...

In the snug of your local hostelry, or as you prop up the bar, looking daggers at a couple of unfortunate American hitchhikers who you're about to send out onto the hostile moor to meet their doom.

When...

In a word, winter. Strong, warming beers like this can be a bit much on a summer's day, but if you've got a bit of a chill in your bones after tending your flock all day – or if you simply haven't got time to neck too many, this'll do the job nicely.

How...

Well not from the bottle, if you can possibly help it. Oh, and not too quickly.

Who...

Mister Wilkes.

THE LAST TABOO

The first time I introduced my girlfriend to the pleasures of anal sex was a day I shall never forget.

Maria and I had been together for a few months when she one day brought up the subject of taboos. She'd been reading a girlie mag that was all about the last great sexual taboo – and for a nasty moment I thought she was going to suggest getting a strap-on and doing me up the wrong 'un!

"I let my tongue wander up to her ring and began to tentatively explore this virgin territory..."

"Have you ever wanted to try anal sex?" she asked me and I contemplated whether to tell her I already had my brown wings or keep that one quiet. Quiet it was, and I told her I'd always been interested but had never found a girl open-minded enough to try it with. Well, that was all she needed to hear, and she took me by the hand and led me up to the bedroom, where she lay me down and began to strip me, sucking me hard once I was free of my clothes.

When I was erect, she climbed off me and began to undress as I kissed her breasts and licked her stomach, thrilled that I would soon be balls deep in her anus. She climbed up onto the bed next to me, sprawling on all fours and I began to lick her moist snatch, spreading her lips wide to dip my tongue into her hole. When I thought she was as horny as she was going to get, I let my tongue wander up to her ring and began to tentatively explore this virgin territory. I rubbed my finger over her snatch and painted her own juices onto her ring, watching her tense and relax each time I touched her hole.

Each time she tensed I became less and less confident that she was actually going to go through with it, but suddenly she opened the bedside cabinet and took out a jar of lube. She sat down and opened it, scooping out a handful and smearing it liberally all over my cock and balls. "Now why don't you put that big monster cock of yours up my little bum?" she said, giving my balls a little squeeze before getting back on her knees.

I scrambled into position, kneeling behind her and rubbing the tip of my greasy dick against her starfish. Slowly but surely I eased my dick into her arse, letting her have half the length first, easing it in and out until she had stopped

gasping in pain and had learned to relax and enjoy it. When I saw that she'd reached down to fiddle with herself, I knew it was time to let her have the whole kit and caboodle.

I thrust forward, loving the satisfying sensation of having my balls rest up against her cunt as my shaft was squeezed tight inside her arsehole. Maria cried out, a mixture of surprise and delight and I began to fuck her, gripping her by the hips and pulling her onto my dick.

"Come inside my arse!" she hollered, her fingers working frantically against her clit, and I hammered away, blasting my seed right up inside her bum as she orgasmed with me.

We fell onto the bed together, exhausted, and the look on her face said that this wasn't going to be just a one off experiment – the last great taboo had just been shattered!

Matt, Trowbridge

ROMANCING THE BONE

I was in my early 20s when I first met Jilly, and pretty inexperienced. I'd had sex with a few girls and it was great, but it was a fairly straightforward, in out, in out, shoot your load inside type of thing. I certainly had not scaled the heights of filth that I wanted to.

Jilly was different. A sexy and slim dark haired lovely, she was one of those girls that looked like butter wouldn't melt in her cunt. But boy did looks deceive...

In our short time together she had introduced me to a whole new world of dirty love. She loved to suck my cock until I spurted, splashing my goo all over her tits or face, or greedily swallowing it down. We did 69s, public sex, dressing up games... my head was in a spin over those horny times, wondering what she would come up with next.

February 14, Valentine's Day, was coming up, so I arranged a nice meal in town, and hoped that Jilly would have something special in store for me later that night.

"A vice-like grip took hold around my cock and I almost came straight away"

I could tell that I wasn't going to be disappointed. All through the meal she made smutty comments about what she was going to do to me later on, while sliding her foot up my leg, and even over my cock.

By the time we got through the front door, we could not keep our hands off each other, and left a trail of clothes strewn from the hall all the way up to the bedroom.

Once there, she went straight to her knees, took my stiff prick in her hand, and guided it into her hot mouth, gently cupping my nuts in her palm. As she sucked she kept constant eye contact with me, staring up at me with this look in her eyes – just about the horniest thing in the world. I could tell she wanted some cock in her, so I moved her up onto the end of the bed and got her down on her knees with her firm, rounded arse poised and ready – her puckered arsehole sitting prettily between her spread cheeks, above her pink, glistening cunt lips. I moved forward to thrust into her waiting pussy, but just as I was about to enter her sweet snatch she reached around and stopped me, grabbing at my dick.

"Not today babe, I've got something else in mind," she said, coyly. Rubbing her thumb over my helmet, she then lubed up her bumhole with some of my pre-come and guided me slowly, gently, into her tight arse. I had never felt anything like it! A vice-like grip took hold around my cock and I almost came straight away. I managed to hold on, and the ride became smoother as she relaxed, a completely different sensation to pussy. I ground into her, with staccato, shuddering thrusts.

Jilly was just going crazy. She was a loud girl, but when we had fucked before I had never heard her groan and scream so loudly. "Fuck my arse you filthy bastard!" she cried and I needed no more encouragement, pumping her harder and faster. "Rub my clit!" she ordered and I complied straight away, reaching down between her legs to strum her engorged, greasy pink button with two fingers while with my other hand I pawed at her pendulous breasts. Her cries grew louder and louder when she suddenly stiffened, coming hard, and I had no other choice but to let it all go too, shooting my hot come up her tight arse while she writhed around beneath me, pushing back at me with complete abandon.

I later learned that nothing in the world got Jilly off as much as anal, and I will forever remeber her for revealing to me exactly what goes on behind that brown door!

SCRUFF JUSTICE!

In the court of king Club-ute, the hand of justice is most often wrapped round the king's meaty cock!

STAR RATINGS: ★ FLOPPY ★★ FLACCID ★★★ FIRM ★★★★ FULL ON ★★★★★ FUCK ME!

Shay Jordan: Scream (Digital Playground)

So beautifully-boobed Shay's got her blonde chum Hillary round for some sort of Halloween sleepover, when their topless snuggling is disturbed by a randy intruder. Luckily they know who it is, so they all screw, naturally enough. This opener's a bit ordinary, but things pick up somewhat next, with a very cute Cayton Caley getting a bit of a spanking and a thorough shafting. Then it's Shay's turn again, along with Audrey Biton, and at last we're treated to the sight of Shay's unshaven clanger taking a pounding. Some anal from Hillary, and then it's all rounded off in style with our heroine again, getting taken by surprise – and from behind – in the shower. ★★★★

Princesses of Darkness (Private)

You don't really associate Private with black porn starlets, so this compilation must be a bit of a rarity, featuring as it does seven dusky damsels getting drilled in fine Private style. That said, given that it's a comp, there's a fair old mixture of styles on display here, from bog standard tropical beaches to some rather arty glam stuff. The shagging's a bit up and down as well – Jenna Brooks looks a little bored as she's getting boned, while the Mercedes Ashley scene appears to be about 20 years old. Still, red hot scenes from quality performers like Jada Fire and Marie Luv probably make this a worthwhile purchase for admirers of X-rated ebonics! ★★★

Sexual Rage (Red Light District)

Hmm, rather an iffy title for what turns out to be quite a horny group sex offering. Scene one stars Roxy Panther getting drilled rigid by four guys, and by the time she's been treated to four frosty facials you can't help thinking she deserves a nice sit down and a cup of tea. In the next scene Lucy and Lilly share the man meat, with plenty more anal (and some ATM) thrown in before it's a wrap. Scene three sees three girls having to make do with just the one cock, but as it belongs to top woodsman David Perry they don't miss out too much. Inappropriately named Virginnee sees us out with another gang bang, winding up a good flick for anal obsessed raincoaters. ★★★

LAY US, ELISE!

In the lotus position!?

PHOTOS: PHOTORAMA

It's very difficult not to draw comparisons with the schweet sports car of the same name because both of them make your draw drop when they pass you buy and most of us are never going to ride one in our lives!

She's a beauty though, isn't she? And a lot of fun, to boot!

"Hey, don't go telling your readers I'm some kind of unattainable woman! If people start thinking that about me they'll never try to chat me up! I don't want that, I want to fuck, fuck, fuck!"

Sorry, erm, would you prefer we said you're a really easy lay, or something?

"No! Just don't say anything, let me do the talking… Hi guys, I'm not an easy lay but don't put me up on a pedestal, if you see me in a club, come over and talk to me, maybe by the end of the night we might be spending some quality time together…"

Much better than anything we could have possibly said about you, Elise, much better! ♣

BEND ME, SHAPE ME!

Krystal will do anything for a ride, even bend over backwards!

PHOTOS: NICOLAS SAGE

Be warned lads, Krystal takes no prisoners! “I don’t like weedy men, I like strong men who can fuck me properly,” she said. “See, I’m into athletic sex, I like to big picked up and fucked on the move, I like to be put into all kinds of different positions – I don’t care how you fuck me, as long as you fuck me hard and long. That’s my motto: hard and long!”

Well yes, we can see that, Krystal. Our minds are boggling at the idea of you bent over, demanding we fuck you like real studs. Erm, yeah, anyone know where the exit is? Gotta see a man about a gimp suit… ♣

ADVERTISING THE FACT
These vans are still in use in some parts of Britain to transport whores from one blow-job to the next...

THINK ANAL SEX HURTS? TRY HAVING A KID.
When you absolutely have to have sex and there is no contraception around, just take it in the ass.
It may not be the most comfortable thing in the world, but it will hurt a whole lot less than squeezing a newborn out of your crotch nine months later.
Planned Parenthood

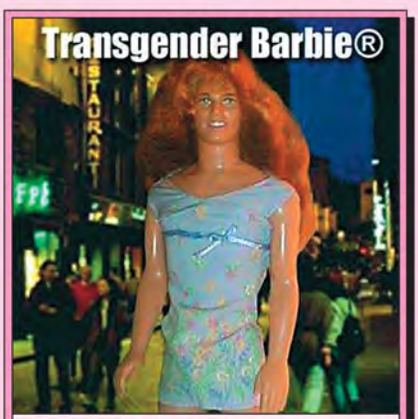
UP THE BUM NO HARM DONE!
Cheapskates take note, save money, get your brown wings and look like a caring partner – this is better than giving birth, baby!

AS VOTED FOR BY ADMIRALS EVERYWHERE
It brings a whole new meaning to the term food poisoning, and will put you off crab sticks for life...

HIDING IN PLAIN SIGHT
Even Elvis had a camel toe – worn with pride!

NOW READ THIS SIGN
Yeah, but the note on the other wall reads: do not shit here.

ON THE PISTE
It should be obvious skiing is dangerous, any sport that's signposted in brown has got to be trouble...



KEN, IS THAT YOU?
Barbie was his beard and you will be his bitch!

CHOKE ON IT
All the biggest girls loved a threesome round Ronald's house.
